## RECONCILIATION IN BLOODLANDS

DOWNLOAD

Peter Lang GmbH. Hardback. Book Condition: new. BRAND NEW, Reconciliation in Bloodlands, Jacek Kurczewski, Central-Eastern Europe, in the mid-20th century, was a scene of Holocaust, mass killings, war, deportations and forced resettlements under the competing totalitarian invasions and afterwards. It was also the area where churches, politicians and citizens were engaged in reconciliation between antagonized religions and nations. This book presents several attempts to heal relations between Poles, Jews, Germans, Czechs, Ukrainians, Russians and Latvians as well as between Catholics, Protestants and Mariavites. Re-conciliatory practices of John Paul II and other Catholic leaders as well as Protestant churches are analysed in the first part of the book. Most of the remaining studies are focused on particular localities in Upper Silesia, Cieszyn Silesia, former Polish Livland and on the Polish-Ukrainian borderland. These detailed contributions combine sociological methods with anthropological insight and historical context. The authors are sociologists, psychologists and theologians and this leads to a fully interdisciplinary approach in the assessment of the recent state of inter-group relations in the region as well as in the proposed theory of peacebuilding and reconciliation.
