Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Random House USA Inc, United States, 2015. Paperback. Book Condition: New. Reprint. 203 x 130 mm. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER From Academy Award winner and bestselling author Diane Keaton comes a candid, hilarious, and deeply affecting look at beauty, aging, and the importance of staying true to yourself--no matter what anyone else thinks. Diane Keaton has spent a lifetime coloring outside the lines of the conventional notion of beauty. In *Let s Just Say It Wasn t Pretty*, she shares the wisdom she s accumulated through the years as a mother, daughter, actress, artist, and international style icon. This is a book only Diane Keaton could write--a smart and funny chronicle of the ups and downs of living and working in a world obsessed with beauty. In her one-of-a-kind voice, Keaton offers up a message of empowerment for anyone who s ever dreamed of kicking back against the should s and supposed to s that undermine our pursuit of beauty in all its forms. From a mortifying encounter with a makeup artist who tells her she needs to get her eyes fixed to an awkward excursion to Victoria s Secret with her teenage daughter, Keaton shares funny and not-so-funny moments from her life in and out of the public eye. For Diane Keaton, being beautiful starts with being true to who you are, and in this book she also offers self-knowing commentary on the bold personal choices she s made through the years: the wide-brimmed hats, outrageous shoes, and all-weather turtlenecks that have made her an inspiration to anyone who cherishes truly individual style--and catnip to paparazzi worldwide. She recounts her experiences with the many men in her life--including Warren Beatty, Jack Nicholson, Al Pacino, and Sam Shepard--shows how our ideals of beauty change...
