The Edible Garden: Herbs & Flowers (National Home Gardening Club)

By Creasy, Rosalind Hawthorne, Marcie (Illustrator)

National Home Gardening Club, 1999. Hardcover. Book Condition: New. 1st Edition. National Home Gardening Club 1999 1st Edition New/ Editorial Reviews Product Description! hope you will find growing herbs and edible flowers as rewarding as I do. To help you along, I have shared with you many of my gardens, including their successes and failures, and assembled years of experiences from the many gardeners I have visited around the country. I learned, for instance, that Jim Wilson in North Carolina grows most of his herbs in containers because he has nematode problems; that Carole Saville has moved many of her herbs from New Jersey, to Los Angeles, and then to Berkley and the great majority grow well in all these different climates; and that Cathy Barash had great success overwintering pineapple guava indoors in her Long Island home. I also know that most of you have trouble growing Cilantro and have yet to discover savory (you'll be delighted). Armed with the information in this book, growing herbs and edible flowers will only add joy to your life. Large Heavy Item. No Exp.
