SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, A Team Approach to Behaviour Management: A Training Guide for SENCOs Working with Teaching Assistants, Chris Derrington, Barry Groom, 'This is an accessible and clearly set-out book, with a consistently positive and empowering tone. The examples and level of the material are realistic and likely to promote discussion, which is skilfully handled, would lead to a more consistent approach' - European Journal of Special Needs 'Trying to know something about everything is a tall order, but this book can ease the burden considerably if you feel the teaching assistants (or any staff in your school) would benefit from help and advice on behaviour management. This is just the thing for a busy SENCO, although, as a special needs adviser, I can already see how I might use and adapt some of the excellent resources and activity ideas to add sparkle to my own centre - and school-based training' - British Journal of Special Education 'The resource is designed for SENCOs/trainers who work with TAs and it really does hit its target audience, striking a good balance between the SENCO's need for comprehensive coverage of the material and the TA's need for an accessible training and developmental experience. In addition, there are clearly potential applications for (perhaps slightly tweaked) elements of the resource with other teaching, and non-teaching, staff in schools. The resource costs GBP16.99, which works out at just GBP2.50 per unit. Setting aside the 'real' value of the resource in terms of the improved behaviour-management performance of our TA's and other school staff, the value to the SENCO/trainer of having a comprehensively packaged resource which includes so much useful material and which requires little, if any, 'tweaking' before being presented to its target audience in the individual school, is vastly...
