

Science and Idealism

By Hugo Münsterberg, Hugo Munsterberg

COSIMO CLASSICS, United States, 2006. Paperback. Book Condition: New. 201 x 119 mm. Language: English . Brand New Book ***** Print on Demand *****.Nature, material and mental, knows no values. Yet it is evident that this alone does not mean that there are no values in reality, for it would be absurd to think that the system of objects which we call nature is the whole world of our life-experience. The fact that in physics and psychology a deliberate description and explanation of nature is going on, -does this not in itself involve the existence of an acting personality which, as such, can find no place in the system of nature? -from Science and Idealism As a psychologist and an innovator of experimental psychology, Hugo Munsterberg was a powerful influence on thinking in both the medical and social arenas at the turn of the 20th century, developing practical applications of psychology to industry, medicine, education, the arts, and criminal investigation. Here, though, in this intriguing volume, Munsterberg discusses anxieties and misapprehensions that still afflict the scientific disciplines today. Munsterberg-in a transcription of an address given at Yale University in 1906-examines how a system that is valueless and orderly, like the...
